## Work Experience

- Envision Pathways to STEM - Program Support (Summer 2016)
  - This is a 6-7 day summer program for grades 3-5. I was responsible for providing the curriculum to advisors and assisting them with lesson plans when asked to. I also was tasked with providing an interactive activity for the scholars each evening and doing room checks.
- Media & Information Technology Department - Service Desk Assistant (2015-present) - Spelman College
  - I am responsible for answering the phone and responding to walk-ins and helping them with issues that they are having with Spelman issued hardware and applications used by the college
- Undergraduate Teaching Assistant (Spring 2015, Spring 2016) - Spelman College
  - As a teaching assistant in a college level math courses I attended class regularly, and held office hours outside of class for students seeking help. I developed a curriculum of my own based on the professor's. I also wrote updates on the class biweekly and assessed the pedagogy of the instructor.
- Pre Undergraduate Teaching Assistant Training (Fall 2014) - Spelman College
  - I attended various college level courses in the STEM field and assessed the pedagogy of various instructors and made comparisons and contrasts based on the class.
- Life Guard- YMCA & Sears Pool Management Company (2014-2015)
  - As a lifeguard I was responsible for protecting and saving the lives of patrons at the pool as well as maintaining pool chemicals and pool area.
